

Granting Editing Rights for Courseware Pages

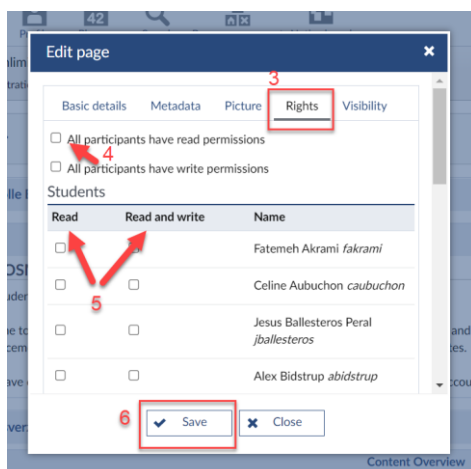

1. Select the page for which you want to manage reading/ editing rights (*Inhaltsnavigation*).
Here, we give editing rights to the page “OS-COSMOS Student Forum”.

1. Click on the three dots to open “Seiteneinstellungen”.

2. Open the tab menu “Rights”
3. Uncheck “All participants have reading rights”
4. Select who can edit or read only, and click “save”.

- ✓ Only the selected students can see (read) or modify the content of the respective page.
